The Story:

Introducing new male model, Thiago Valente! Hailing from the São Paulo creative/art scene, this young, emerging, visual and multi-media artist has been newly recruited to the NU. Face agency by eagle-eyed talent scout and collaborator, Isabella Alves!

Born of mixed Brazilian-Italian heritage, this alluring young man absolutely stands out in any crowd and truly shines on his very first modeling assignment! It's as if the new "Monsieur" version of the world-famous fragrance was created just for him! Vibrant, youthful, yet romantic with just the right touch of masculine mojo, his addition to the agency is sure to bring the NU. Face team a lot of new opportunities!

Included:
