The Story:

Enter a bold new world of myths and fairy tales, where fashionable creatures meet in dark castles, wearing the most fabulous couture you can imagine to cast beautiful spells on us, mere mortals!

The final entry in a series of four dolls exclusively created by Integrity Toys designer Mark Tinkey, guest model Korinne Dimas is inspired by the precious metals and gems found deep within the Earth. This enchanting sorceress embodies the wickedly beautiful finale to the Coven Couture collection like no one else can!

Included:

- 12.5-inch articulated doll with rooted hair and hand-applied eyelashes;
- Metallic cross weave organza gown with lavish beading and golden leaf embroidery, designed by Mark Tinkey;
- Handbag with rouching detail and "gold" chain fringe;
- Asymmetric serpent earrings with "stone" detailing;
- Geode-inspired cuff bracelet with more "stone" detail;
- Coordinating platform heels with metallic vine detail in hematite colored metal;
- Pair of manicured hands;
- Extra pair of "hand on hip" hands (also perfect for spell-casting!);
- Doll stand;
- Certificate of authenticity.

IMPORTANT NOTE: Prototypes shown, final product may vary. Acrylic blocks in the accessory pictures are display props only and are not included with the doll. This collectible is meant for adult collectors ages 15 and up only.
